hospital area, approximately 200 miscellaneous support buildings and sheds, and a fenced ammunition storage area with 3 ammunition bunkers 45 x 30 ft (4,050 sq ft), 3 dispersed storage buildings ranging from 30 x 15 ft to 140 x 30 ft (5,750 sq ft), and 2 small support buildings.

Training facilities consist of several athletic or drill fields. Some personnel trenching

is visible west and SW of the area but does not appear active.

The complex appears active although the only equipment observed in the area was one truck.

Based on a figure of 33.6 sq ft per man, the complex can accommodate approximately 16,000 personnel.
